## Pittcon 2021 Conference & Expo

***Don't Miss the World's Leading Conference and Expo on Laboratory Science***

Science is a dynamic and constantly evolving discipline. Every day, all over the world, scientists are making new discoveries; formulating new medicines to enhance the quality of life and solving global environmental, energy and food related challenges.

Pittcon, a vital resource for knowledge, happens yearly to help keep you informed of, connected to and up-to-date on these significant ongoing findings and new instrumentation.

### ***Cutting Edge Research***

#### *The World's Leading Technical Program*

With more than 2,000 technical sessions, Pittcon makes it easy for you to get connected to the latest research and developments from world-renowned scientists from around the globe.

### ***Co-Programming Partners***

Co-programming offers a mutually beneficial venture which permits organizations to combine ongoing efforts with Pittcon to help achieve the common goal of advancing the chemical and laboratory sciences on a global level.

Some of the partner organizations are: American Chemical Society, Coblenz Society, International Association of Environmental Analytical Chemistry, Japan Analytical Instruments Manufacturers Association, Society for Applied Spectroscopy, Society for Electroanalytical Chemistry, and others.

### ***Courses are offered at beginner, intermediate & advanced levels.***

With more than 100 from which to choose, there are a wide variety of classes covering relevant analytical topics in food science, water/wastewater, environmental, life science, pharmaceutical. Courses for broad-based application and general lab functions include lab management, quality control, technical writing, statistics, data management, and lab safety.

### ***Who Should Attend?***

Anyone who develops, buys, or sells laboratory equipment, performs physical or chemical analyses, develops analysis methods, or manages these scientists.
